

MEREDA INDEX Online Sponsorship Offering

The MEREDA Index is the industry's leading measure of the health of Maine's real estate market. An important economic indicator for our members, their thousands of employees, and Maine's economy at large, The MEREDA Index is widely reputed as the best baseline measure for the health of the commercial segment by insiders and the media alike.

The MEREDA Index is exclusively available now on MEREDA's website, distributed by press releases and social media marketing.

Consider increasing your company's credibility and visibility within Maine's commercial real estate sector by underwriting The MEREDA Index.
