

MEREDA Networking Event Sponsorship Offerings

MEREDA recently restructured its Sponsorship Levels to simplify and maximize each sponsorship. We hope that this provides opportunities for members of all sizes to find value and participate. We think this provides more value, and we hope you agree!

While members value our legislative advocacy and educational programs, they also tell us repeatedly that they really appreciate the networking opportunities we provide. Every committee meeting, conference, seminar and member social is an opportunity to renew friendships and develop valuable business relationships with industry professionals. Over the years, many beneficial business relationships have been established through networking opportunities.

For more information or to secure your sponsorship, please contact Shelly R. Clark at 207.874.0801.
